

participate in the scoping process by identifying any additional concerns on issues, studies needed, alternatives, procedures, and other matters related to the scoping process. At this time, there are no plans for a public scoping meeting.

Public Involvement

We invite the participation of affected Federal, state and local agencies, affected Indian tribes, and other interested private organizations and parties.

Coordination

The proposed action is being coordinated with the U.S. Fish and Wildlife Service (FWS) and the National Marine Fisheries Service under Section 7 of the Endangered Species Act, with the FWS under the Fish and Wildlife Coordination Act, and with the State Historic Preservation Officer under the Natural Historic Preservation Act. On a working level, the proposed action is being conducted by an interdisciplinary/interagency team combining local, state, and federal organizations.

Other Environmental Review and Consultation

The proposed action would involve evaluation for compliance with guidelines pursuant to Section 404(b) of the Clean Water Act; application (to the State of Florida) for Environmental Resource Permits pursuant to Section 401 of the Clean Water Act; certification of state lands, easements, and rights of way; and determination of Coastal Zone Management Act consistency.

Agency Role

As cooperating agency, non-Federal sponsor, and leading local expert; SFWD will provide extensive information and assistance on the resources to be impacted and alternatives.

DEIS Preparation

It is estimated that the DEIS will be available to the public in September, 1999.
